DETAILED ACTION

Allowable Subject Matter

1. Applicant's amendments filed on 5/10/05 have been fully considered and are persuasive.

2. The following is an examiner's statement of reasons for allowance:

Applicant's claimed invention is deemed allowable over the prior art of record as the prior art fails to teach or suggest disabling a normal incoming packet procedure at the machine in response to the level of the packet queue satisfying an entry condition and enabling an alternate incoming packet procedure at the machine, the alternate incoming packet procedure including indicating new incoming packet procedure including indicating new packets received at the machine, if any, to the protocol stack at an indication rate in response to a packet processing rate and altering the indication rate in response to the level of the packet queue satisfying one or more secondary conditions, if any in combination with other limitations as recited in independent claims and further in view of the specification and applicant's persuasive arguments.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
